

# Official Entry Form

You need to use this form to enter African Gardens Competition, as it helps us process entries faster. But, you can grow as many gardens and make as many competition entries as you like!

## Judging

### ☀ Bag Gardens and Keyhole Gardens

Entries will be considered on the variety of plants that you grow, how well your plants have grown, the record of plants you grew from seed, your garden's organic content... and, of course, your creativity!

*Please use peat-free compost as it has far less impact on the environment.*

### ☀ Sunflowers and Tip-Taps

Sunflower heights are measured from the soil to the centre of the flowerhead. It's simple - the tallest one wins! For Tip-Taps, ingenuity is the key... the most inventive and effective design will take the trophy.

In every category points will be given for design, decoration, use of recycled materials, and your entry's 'green credentials'.

Please include photos of your entry with this form, or send your video on a disk and put your name on the back of each one (try and keep a copy of these in case you are a winner!) and then fill in the other side of this form.

*Please note: Send a Cow can't give you any additional horticultural advice. Please go to [www.gardenorganic.org.uk](http://www.gardenorganic.org.uk) for more information.*

**Remember! Get your entries in by July 12th (Gardens) and Sept 20th (Sunflowers and Tip-Taps). Winners will be contacted within ten days of these dates.**

## Rules

The competition is open to anyone aged 14 or under. You can be an individual, family, club, class, or school. Entrants must use organic pesticides or fertilisers. Using peat is not allowed. Each Bag Garden and Mini-Bags entry needs to be accompanied by a separate entry form. No employee of Send a Cow, or relative of a Send a Cow employee may enter. The decision of the competition judges will be final. Winners will be posted on the African Gardens webpage:
