

My Little Hen

Song – Tune “The wheels on the bus”

My little hen has laid an egg,
laid an egg, laid an egg
My little hen has laid an egg,
who will help me find it?

How to play

(You will need a plastic/wooden egg)

One child is chosen to be the “Hen”.

Another child is chosen to be the “Listener”.

The rest of the children make a circle and the “Listener” sits in the middle with their eyes closed.

Everyone sings the song as the “Hen” hides the egg by giving it to another child in the circle. On the last line, only the child with the egg sings.

The “Listener” then tries to identify who has the egg. The child who has the egg becomes the “Hen” and a new “Listener” is chosen.

Repeat as many times as you wish.
